RAJAGIRI We Deliver More Than Expected!

Rajagiri College of Social Sciences (Autonomous), Kalamassery is a pioneering institution in India. One of the highest-ranking colleges in India, ranking 12th in the country in the 'Colleges' category by the National Institutional Ranking Framework (NIRF) 2025, and 1st in Kerala Institutional Ranking Framework (KIRF) 2025. The School of Social Work spans its legacy since 1955. It is ranked second best in India (India Today-MDRA and OUTLOOK-ICARE 2026). The department offers programmes in BSW (Hons.), PGDCSW, MSW, MSWCSW & PhD.

The UN's 2030 Agenda introduced 17 Sustainable Development Goals (SDGs) to build a more equal, inclusive, and sustainable world.India has made progress toward the SDGs, but challenges to inclusive development still remain. These require cooperation between governments, communities, academia, civil society, and other sectors.Social work plays an important role by promoting social justice, human rights, equality, empowerment, environmental responsibility, and sustainable community development.

Social Work for Sustainable Development:

Empowering Communities through Innovation, Inclusion, and Partnership

OBJECTIVES

- Promote collaboration among different sectors.
- Promote innovative and inclusive social work practices.
- Share local knowledge, community initiatives, and successful partnerships.
- Encourage research, knowledge sharing, and networking.
- Explore solutions to social, economic, environmental, and cultural challenges through research, policy, and practice.

SUB-THEMES

Call for Papers

We are calling for papers (for oral and poster presentations) that bring together novel solutions to development issues through social work and social development practices. All kinds of innovations will be considered, whether methodological, theoretical, social, technological, policy, practice-based or organisational and are of local relevance and/or have the potential for large-scale replication. Lessons learned from implementing evidence-based solutions, interdisciplinary approaches, and critiques of current solutions are also welcome.
